SCHOOL COMMITTEE REPORT

It is with great sympathy and regret that we report the death of our former chairman, Emery N. Eaton. A man of liberal convictions who rendered invaluable service during his term of office, we mourn his death.

During the Spring term there was no change in the school organization. In the Fall, however, a change became necessary, as the trustees of the Dearborn Academy withdrew their fund. After careful consideration the committee decided to transfer the upper grades to the Locke School, with Helen Roberts as teacher, and to reopen the Sanborn for intermediate grades, with Alice Weare as teacher. The schools have been well provided with books and other supplies. We are asking for a larger appropriation this year, owing to the advance in prices. The schoolhouses are in a fair condition, outside and inside. Some need new steps and we recommend concrete. As former boards have suggested, so do we, that something definite be done to relieve the overcrowded

conditions that exist in some of the schools. An addition to the South School would eliminate the cost of transportation and this amount would contribute to the support of an extra teacher. The attendance has been lowered on account of scarlet fever and whooping cough. There should be an improvement in the attendance for the ensuing year, as the state appropriation depends upon this. The members of the school board believe they have the services of conscientious and efficient teachers. We hope for a closer co-operation between parents and teachers for the coming year.

Respectfully submitted,

NORMAN L. CHASE,

For School Board.

To the Selectmen of Seabrook: We recommend that the following be assessed on school account:
